## TASTING NOTES

It is a deep wine with a  
purple tone and intense  
cherry reflections.

## BOUQUET

On the nose it is an  
intense and sincere wine  
with strong aromas.

Notes of black fruit  
stand out with  
hints of cherry, plums,  
blackberries and typical  
blueberries. Violet flowers,  
fine aromatic herbs such as  
rosemary and eucalyptus.

Spice notes of vanilla, pepper,  
cocoa and toasty tones.

The aromatic profile is  
complex and highly expressive.

## PALATE

On the palate it is smooth,  
frank and engaging.

Soft and velvety  
tannins. Very rich and  
dense. A balanced  
wine, supple, with  
a broad structure and  
a lasting finish with a  
fruitforward core.

The palate aromatics  
reaffirm what was  
detected in the bouquet,  
of mainly dark fruits.
